c. Navigation sur l'url : http://15.237.251.76 (Site web créé)

The screenshot shows a web browser displaying a website at the IP address 15.237.251.76. The website has a clean, modern design with a light gray background. The header includes 'User's blog' on the left and 'Sample Page' on the right. The main content area features a large heading 'A commitment to innovation and sustainability' and a subheading 'Études is a pioneering firm that seamlessly merges creativity and functionality to redefine architectural excellence.' Below the text is a dark button labeled 'About us'. At the bottom of the page, there is a large image of a modern building with a distinctive, angular, and textured facade.

d. Page d'administration de site WordPress (<http://15.237.251.76/wp-admin/>)

The screenshot shows the WordPress 6.5.5 admin dashboard. At the top, the browser address bar displays "Non sécurisé 15.237.251.76/wp-admin/". The dashboard header includes the title "Dashboard" and a user profile "Howdy, user". A left sidebar contains navigation links: Dashboard, Home, Updates (4), Jetpack (1), Posts, Media, Pages, Comments, Appearance, Plugins (4), Users, Tools, Settings, and Collapse menu. The main content area features a large "Welcome to WordPress!" banner with a link to "Learn more about the 6.5.5 version." Below the banner are three cards: "Author rich content with blocks and patterns" (with a link to "Add a new page"), "Customize your entire site with block themes" (with a link to "Open site editor"), and "Switch up your site's look & feel with Styles" (with a link to "Edit styles"). At the bottom, there are three widgets: "Site Health Status" (showing "No information yet..."), "Quick Draft" (with a "Title" input field), and a large empty box.
